## Course

MINTHIS  
GOLF CLUB

**Minthis Golf Club**, the first grass course being built in Cyprus, was completed in April 1994. Located just 20 minutes from Paphos Town, on an elevated position of 550 meters above sea level, ensures cool breezes during the summer months.

Historically, the terrain has been part of the monastery of **Stavros tis Minthis**, which gives an air of timelessness and romance. The 18 hole-course, designed by legendary golf architect **Donald Steel** in 1994 and renovated by renowned course designers **Mackenzie & Ebert**, in two loops of nine, reveals the subtle hand of a man who always allows a course to blend into its natural surroundings.

## Conditions

The Tournament is a 54-hole stroke play event, handicap qualifying, and will be played in accordance with the rules of golf as approved by the R&A, the Cyprus Golf Federation, and any Local Rules endorsed by the Tournament Committee.

This is a walking competition, and no buggies may be used, except in the case of players with Official Registered Disabled status. Electric or manual trolleys may be used, and caddies are allowed. Caddies must register with the Registrar on a daily basis.
